[Ivan ModelClassDiagram] | *Ivan-ModelClassDiagram.png*

This is a class diagram to show how the model has changed since AB-3. Notice that AddressBookGeneric holds anything that extends from ModelObject.

[Ivan AssignmentClassDiagram] | *Ivan-AssignmentClassDiagram.png*

This is an example to show 1 type of modelObject which AddressBookGeneric can hold.

[Ivan PreprocessAssignActivityDiagram] | *Ivan-PreprocessAssignActivityDiagram.png*

This is an activity diagram to show the necessary steps taken when we pre-process an unassign command.

[Ivan ProgressManagerAssignStudentToCourse] | *Ivan-ProgressManagerAssignStudentToCourse.png*

This is a sequence diagram used to show
